Community Partner: Christian Action

Partnering with Christian Action, we aim to provide structured training for ethnic minority ("EM") youths aged 16-24, helping them achieve upward mobility through the program. In addition to youth training, the program offers long-term support through an alumni initiative, extending beyond the typical 6-month market practices. Various engagement activities with local communities and employers are conducted to foster a more inclusive society in Hong Kong.

Project Outcomes:

- Support the development of underprivileged EM youths
- Unleash the potential of EM youths
- Long-term support for EM youths and their families
- Promote diversity and inclusion in the community
